

## Loving Nannies Has Helped Over 4,000 Local Families Find Loving Care!

**N**anny expert Wendy Pierce strives to help families find affordable, quality child care options. Her family-run business,

*Loving Nannies*, has been recognized for exceptional service by KUSI and FOX 6 News. In business for nine years, Loving Nannies was the first nanny service to operate totally different than others, with lower costs, a flat finder's fee, longer guarantee periods, free service for its nannies and more personalized service for families. Pierce explains, "We are truly an original company and our ethics are in the right place. We love the fact that we are helping families daily find nannies who their children will love, and who will

become part of the family. People don't realize how much a nanny can help glue a family together."

In addition to her high quality nanny service, child-loving Pierce – a former nanny herself – recently opened up an online children's directory called San Diego Children's Network. The site, [www.SDChildrensnetwork.com](http://www.SDChildrensnetwork.com), offers parents help finding children's stores, pediatricians, dentists, activities, festivals, events, sports, parenting resources and, of course, qualified nannies. Loving Nannies is located in Cardiff. For more information, visit [www.lovingnannies.com](http://www.lovingnannies.com) or call 800-682-8154.
